

No Child Should Face Immigration Court Alone

Over 240,000 unaccompanied children have arrived in the United States since 2014. They are fleeing violence from which their countries cannot protect them.

Most unaccompanied children come from Honduras, El Salvador, and Guatemala — three of the most dangerous countries in the world. They are seeking safety and need our help.

60%

Of children arriving in the U.S. have no one to represent them in immigration court

5x

Children without representation are five times more likely to be deported back to danger

That's where KIND comes in:

- ✓ We **protect children** who arrive in the U.S. alone.
- ✓ We provide lawyers to **represent them in their deportation proceedings.**
- ✓ We **advocate for policies** that protect the rights of these children.
- ✓ We **help children reintegrate safely** in their home countries, only if they cannot stay in the U.S.
