

CAM APPLICATION PROGRAM

APPLICATION CHECKLIST

Please use this checklist to confirm you have all the necessary documents and information for your CAM application. The CAM application cannot be completed without all the information below.

You will need certain documents for yourself as well as each family member you are applying for. Please send clear, well-lit, fully legible photos of all documents, with all four corners of each document visible, to your KIND caseworker as soon as possible. Delays in providing documents can delay the submission of your CAM application.

If you have any questions, or don't know how to obtain some of the required information or documentation, please contact your KIND case worker, or contact KIND at **+1 855 477 9998** or **solicitantesCAM@supportkind.org**.
